# THE DAILY COMMONWEALTH.

## KENTUCKY LEGISLATURE.

IN SENATE.

MONDAY, Jan. 30, 1854.

Prayer by the Rev. JOHN H. LINN, of the Methodist Church.

MESSAGE FROM THE H. R.

A message was received from the House of Representatives, announcing that they had passed all the bills of the following titles, viz:

An act for the benefit of George Stivers, Sen., of Clay county.

An act establishing an additional Magistrates and Constables District in Boone county.

An act for the benefit of Alanson Mooreman, of Meade county.

An act establishing the town of Defiance, in Fleming county.

An act to change the State road in Graves county.

An act to authorize a bridge to be built across Bayou de Chien, in Fulton county.

An act to amend an act, entitled, an act to incorporate the Lewis Pottery Company.

An act to incorporate the "Mutual Assistance Society" of the city of Louisville.

An act to change the line between the 1st and 2d election and Magistrate Districts, in Jessamine county.

An act to authorize the County Court of Lawrence to establish one additional Justice's district and election district and election precinct there.

An act for the benefit of the Jailer of Livington county.

That they had passed a bill from the Senate to increase and prescribe the time of holding the Lewis and Greenup Circuit Courts.

PETITIONS IN AID OF COLONIZATION

Were presented, and appropriately referred by Mr. D. HOWARD SMITH, of sundry citizens of Fayette county; Mr. MUNDAY, of sundry citizens of Madison county; Mr. PALMER, of sundry citizens of Macion county; Mr. MACHEN, of sundry citizens of Livingston county; praying an annual appropriation of \$5,000 for five years, to aid in colonizing the free blacks in Kentucky.

PETITIONS.

Mr. BLAIN presented seven petitions, which were received and appropriately referred.

LEAVE TO BRING IN BILLS

Mr. KOHLHAAS—Internal Improvement—A bill from the H. R. to authorize the county of Fayette to issue bonds to the Covington and Lexington Railroad Company in lieu of lost bonds: passed.

Mr. WOODSON moved the following, as a substitute for both resolutions:

Resolved, That the committee appointed by this House to apportion and lay off the State into Congressional Districts, shall adopt as the basis of apportionment, the number of free white inhabitants in the State, as shown by the census of 1850.

The substitute of Mr. M. C. JOHNSON is as follows:

Resolved, That the Federal representative population according to the census of 1850 shall be the basis for apportioning the Congressional Districts.]

Mr. WOODSON moved the following, as a substitute for both resolutions:

Resolved, That the committee appointed by this House to lay off the State into Congressional districts, be and they are hereby instructed to base the apportionment of representation upon the number of qualified voters in the State, as shown by the second Auditors' Report for 1850.

Mr. M. C. JOHNSON said that the basis of apportioning the Congressional Districts proposed in the substitute, was in accordance with the Federal Constitution. The basis in the resolution entirely excludes all consideration of slaves, although the slaves gave to Kentucky two or nearly two Representatives.

That to give to slaves the same influence in apportioning the State, that they gave in increasing the number of Representatives would be fair to every section, and do injustice to none. Were there districts in which there was not a slave, they could not complain if they had a representative for every 80,000 inhabitants, which is the number that gives a representative. They could have no cause of complaint that they are not allowed to appropriate to themselves the representatives which the slaves in other sections, according to the Federal Constitution, give to the State. He considered the proposition of the gentleman from Knox as a repudiation of the principle of the Constitution giving a three fifths representation to slaves. It is well known that the Northern States oppose this principle as unjust to them, and no argument can be urged in regard to the district that will not apply equally to the State. He did not expect to hear an opposition to it from a slave State, and he thought it was wholly inexpedient for a slave State to unite with Northern States in opposition to it. He hoped, therefore, that his substitute would be adopted.

Mr. MACHEN urged the adoption of his amendment upon the ground that the part it proposed to strike out was unconstitutional; before any vote was taken the hour for the orders of the day arrived.

MESSAGE FROM THE GOVERNOR.

A message was received from the Governor, by Mr. GREEN, Assistant Secretary of State, nominating Trustees for the Cumberland Hospital, which nominations were confirmed.

ORDERS OF THE DAY.

The Senate resumed the consideration of the bill to increase the rate of legal interest in certain cases.

The question pending was the motion of Mr. GHOLSON to strike out "eight per cent." and insert "ten per cent.", and the question being taken, the amendment was rejected—yeas 4; nays 30.

Mr. STONE proposed an amendment, which was rejected.

Mr. WADSWORTH proposed to amend the bill so as make it provide that if a greater rate of interest than eight per cent. is contracted for the party shall only recover six.

Mr. HARRIS moved to lay the bill and amendment on the table, and the question being taken, it was decided in the negative—yeas 14; nays 20.

The question being taken the amendment of Mr. WADSWORTH was adopted.

The previous question was then demanded, and the bill was ordered to have its third reading on to morrow at 11 o'clock.

A bill in relation to the Covington and Louisville or Louisville and Covington Railroad Company was next taken up in the orders of the day.

Said bill was amended, and the further consideration of the same postponed until Friday next.

A bill to amend the law in relation to conveyances, such as deeds of trusts and mortgages, and to regulate the effect of such conveyances.

After some remarks from Mr. GHOLSON, in opposition, and Messrs. WOLFE and HARDIN in favor of the bill, the further consideration was postponed until Wednesday.

REPORT FROM A SELECT COMMITTEE.

Mr. MACHEN—A bill for the benefit of Elisha Breeding, late Sheriff of Letcher county: the bill was amended, so as to make its provisions apply to the late Sheriff of Knox county, and passed.

MOTION.

On motion of Mr. WADSWORTH, Mr. T. J. SMITH was added to the committee on Finance.

REPORTS FROM A STANDING COMMITTEE.

Mr. BLAIN—Finance—A bill for the benefit of the Sheriff of Todd county: passed.

ORDERS OF THE DAY—RESUMED.

A bill to amend an act, entitled, an act further to protect the rights of married women.

On motion of Mr. SPENCER, the further consideration of said bill was postponed until Wednesday next.

A bill to suppress the circulation of foreign bank notes in this Commonwealth.

On motion of Mr. MUNDAY, said bill was laid on the table—yeas 26; nays 9.

A bill to exempt the homestead from sale under execution.

[Exempt] property not exceeding \$500 in value.

Mr. DEOURCY moved to strike out \$500, and insert \$1,000; negatived.

Mr. ELLIOTT moved to lay the bill on the table, and the question being taken it was decided in the negative—yeas 17; nays 13.

And then the Senate adjourned.

HOUSE OF REPRESENTATIVES.

MONDAY, Jan. 30, 1854.

PETITIONS.

Petitions were presented by Messrs. RAILEY, (2), HUNT, GIVEN, LEWIS, WOOSLEY, HICKMAN and HASELWOOD, and appropriately referred.

HOUR OF MEETING.

On motion of Mr. W. ALEXANDER, the rules were dispensed with, and he was permitted to offer a resolution, providing that this House shall hereafter convene at 9½ o'clock: adopted.

REPORTS FROM STANDING COMMITTEES.

The House resumed the consideration of the report of the committee on Ways and Means, asking to be discharged from the further consideration of the leave to them referred, to bring in a bill modifying the law in relation to Supervisors. [It was incorrectly stoned in Saturday's paper, that the committee were then discharged.]

Remarks were made by Messrs. READ and VATES, and the question being taken, the committee were discharged, and the subject was referred to a select committee, consisting of Messrs. READ, GRAY and ALLEN.

Mr. LEWIS, from the committee on Internal Improvements, reported a bill to incorporate the Louisville and Newport Branch Railroad Company: referred to the committee of the Whole, for next Monday.

The DIGEST READY.—Both volumes of Monroe & Harlan's Digest are now ready, and can be obtained at this office, at \$12 per set of two volumes.

17 Extra copies of the DAILY COMMONWEALTH, put up in single wrappers, can be had at this office, at the rate of \$2 per hundred. Members of the Legislature wishing to get papers, will please leave their orders on the day before the issue of the number of the paper they wish.

It seems that a portion at least of the people of Newport, have allowed themselves to get indigoed by Judge DIXON's decision adjoining the Cincinnati and Newport Steam Packet Company from interfering with the property rights of Taylor's heirs. The Cincinnati lawyers say that when the citizens of New England received intelligence of the decision they assembled in mass, and passed resolutions congratulating the Cincinnati for their success in suppressing imposition. A like indignation meeting has been called for on Monday night, when resolution, so denunciatory of Judge Dixon's will undoubtedly be passed.

We don't think "indignation meetings" will count for much before the courts of Kentucky, or before the Supreme Court of the United States, by which the question is to be finally settled. The Mrs. Mary Anne Parker, who has been on trial in Cincinnati, for obtaining \$2000 from Mrs. Kissane, mother of Wm. Kissane, under the false pretense of effecting the escape of the latter from jail, and about whom the jury could not agree—standing eleven for conviction and one his acquittal—has received the court of further trouble by running off, leaving a benevolent gentleman, who had bailed her in the sum of \$2000, to pay the heavy score.

A duel was arranged to come off at Eltham, a day or two ago, between a military officer and a naval officer from Woolwich, who were said to have quarreled about a female. The seconds, having more common sense than the principals, sought the affair to an arrangement, by proposing that each of the belligerents should present himself before the young woman for her to make up between them. It was whispered that both were so prudent as to reject them both as deserved.

CAPTAIN PARTRIDGE.—Capt. Alden Partridge, the well known military teacher, died in his office, in Norwich, Vt., on Tuesday evening, the 24th. He had recently removed to Mine Springs, Delaware, where his health had just been commenced—having a new term at Bristol, Pa., at his death. He was the founder of a military school.

AN LETTER OF THE 25TH, says: "The American will receive on

the 25th, a letter from the Secretary of State, concerning the capture of the steamer 'Columbus'."

CAPTAIN STROUT.—Capt. Alden Partridge, the well known military teacher, died in his office, in Norwich, Vt., on Tuesday evening, the 24th. He had recently removed to Mine Springs, Delaware, where his health had just been commenced—having a new term at Bristol, Pa., at his death. He was the founder of a military school.

AN LETTER OF THE 25TH, says: "The American will receive on

the 25th, a letter from the Secretary of State,

concerning the capture of the steamer 'Columbus'."

THE HOT AIR PROPELLER.—The colossus ship Ericson was hauled out from her dock last Saturday, at New York, and anchored in North river, preparatory to another trial trip.

ILLINOIS CENTRAL RAILROAD.—A correspondent of the Evansville Journal says:

The Illinois Central Railroad will be in operation between Cairo and Jonesboro, a distance of forty miles, in six weeks. Thirty miles of the track are already laid. The whole road will be finished this year.

ADVERTISING IN THE NEW YORK TIMES.—An advertisement, in another column, for information in regard to the invoice of fine stock.

THE EMIR OF AIL.—This wonderful necromancer gives an exhibition of Trained Birds, Doves and Chinese Pigs, together with his wondrous feats of necromancy, at Odd-Fellows Hall to-night. If he performs half the wonders he promises, his exhibition will be well worth seeing. The wonder loving public will of course attend.

A DESERVED COMPLIMENT.—The special Reporter of the Louisville Courier pays the following deserved compliment to Senator Kohl:

The whole time of the Senate was occupied until the hour for the orders of the day by reports from the Committee on Internal Improvements. Mr. Senator Kohl, who is a member of that committee, and who was formerly the Clerk of the Senate, usually makes the reports. He is truly a working man, and is not only one of the most polite and gentlemanly members of the Senate, but one of the most business men in the Senate, if not the *business man* of the Legislature.

THE FEARFUL LEAP.—We published a few days since a paragraph in reference to a young woman jumping from the Wheeling bridge into the Ohio. The Wheeling Gazette says the leap was one of the most desperate, and the escape from instant death the most miraculous it has ever recorded or even seen recorded.

\* \* \* \* \* The heroine of this adventure is a young unmarried lady of Wheeling, who has lived there for some five years, supporting herself by her work as a seamstress. The tall galler saw her jump from the bridge, and ran to prevent her, but she eluded his grasp and leaped to the stream below, a distance of not less than seventy-eight feet. The current was full of floating debris, and her destruction seemed inevitable. Several men followed her, and gave her up as lost several times, but each time renewed the chase, and finally picked her up alive but insensible, after she had been in the water nearly half an hour.

MAYOR S. R. HOBBS, the 1st Assistant P. M. G., is said to be lying hopelessly ill, of consumption, in Washington. It is said there was an affecting scene in the sick chamber of this gentleman on the 19th inst. His daughter Mary was there, in the presence of her prostrate and almost dying father, united in holy wedlock, by the Rev. Mr. Butler, to Nathan Reese, Esq., of Newburg, N. Y. The fond father, apprehending his speedy dissolution, requested that the nuptials should be celebrated before he had seen the last of earth.

THE DIGEST READY.—Both volumes of Monroe & Harlan's Digest are now ready, and can be obtained at this office, at \$12 per set of two volumes.

17 Extra copies of the DAILY COMMONWEALTH, put up in single wrappers, can be had at this office, at the rate of \$2 per hundred. Members of the Legislature wishing to get papers, will please leave their orders on the day before the issue of the number of the paper they wish.

It seems that a portion at least of the people of Newport, have allowed themselves to get indigoed by Judge DIXON's decision adjoining the Cincinnati and Newport Steam Packet Company from interfering with the property rights of Taylor's heirs. The Cincinnati lawyers say that when the citizens of New England received intelligence of the decision they assembled in mass, and passed resolutions congratulating the Cincinnati for their success in suppressing imposition. A like indignation meeting has been called for on Monday night, when resolution, so denunciatory of Judge Dixon's will undoubtedly be passed.

We don't think "indignation meetings" will count for much before the courts of Kentucky, or before the Supreme Court of the United States, by which the question is to be finally settled.

The Mrs. Mary Anne Parker, who has been on trial in Cincinnati, for obtaining \$2000 from Mrs. Kissane, mother of Wm. Kissane, under the false pretense of effecting the escape of the latter from jail, and about whom the jury could not agree—standing eleven for conviction and one his acquittal—has received the court of further trouble by running off, leaving a benevolent gentleman, who had bailed her in the sum of \$2000, to pay the heavy score.

A DUEL ARRANGED.—Capt. Alden Partridge, the well known military teacher, died in his office, in Norwich, Vt., on Tuesday evening, the 24th. He had recently removed to Mine Springs, Delaware, where his health had just been commenced—having a new term at Bristol, Pa., at his death. He was the founder of a military school.
